"We Offer Peace of Mind"

Bob Utterback, President/CEO of Utterback Marketing Services Inc. The primary focus of his analysis is in corn, soybeans and wheat. This well-known *Farm Journal* Economist is also a regular guest on *U.S. Farm Report* TV show.

Bob prefers the "sell and defend" approach to lock in a target selling price, while keeping upside price potential open if the market rallies.

It's time to re-evaluate marketing alternatives and look for new approaches to long-term selling strategies!

Sow the seeds now for potential marketing success in the future!
